Introduction

Three Day workshop on SPSS was organized by the department of Economics, C. M. College, Darbhanga on 24-26 September, 2019. The programme was organized for research scholars, teachers and PG students to understand the SPSS software for the use of data analysis.

Objective of the Programme

The objective of the programme was to give hand on training to participants in handling large set of data using SPSS for research purposes.

Highlight of the Workshop

The workshop was organized for three days in which research scholars, PG students and teachers participated. Experts were invited to deliver lecture on different aspect of data analysis using SPSS. Teachers and students of this college also participated in this programme.

The workshop was started with inaugural session chaired by Hon'ble Vice Chancellor, Prof. S. K. Singh. Prof. Anil Kumar Jha was special guest invited to the inaugural session. Dr. Avni Ranjan Singh, Head, Department of the Economics, C. M. College, Darbhanga introduced the theme of the workshop to the audience. The inaugural session was concluded with the vote of thanks by Dr. Reena Kumar, Assistant Professor, Department of Economics, C. M. College, Darbhanga. After inaugural session, technical session continued in which resource persons delivered their lectures and trained the participants. Technical sessions continued for three days. The participants actively participated in all the modules of data analysis using SPSS such as regression, correlation and handling data.
